I understand a penalty for early withdrawal will cause a forfeiture of 90 days of dividends on the principal amount withdrawn whether or not the account has earned an initial dividend. This penalty will be deducted from the Certificate and calculated at the annual rate of interest being paid on the certificate.

I also understand that if the penalty takes the Certificate below the \$500 minimum balance, I must withdraw the entire amount and close the Certificate. The penalty will be calculated on the entire balance. **Minimum withdrawal amount - \$100.**
