“ACH” stands for Automated Clearing House (“ACH”) and it means a facility that processes digital debit and credit transfers under rules established by a Federal Reserve Bank or under rules of an automated clearing house association. ACH Deposits are deposits processed through the ACH system.

“ACH Debit Transfer” refers to incoming or outgoing transfers You authorize into or out of Your account. Some examples of ACH Debit Transfers include transactions You initiate at PSECU between Your PSECU deposit account and an external account, and transactions You initiate with a third-party merchant or other external account holder and Your PSECU deposit account.

“ATM” refers to any automated teller machines that are part of any network such as PLUS® and NYCE®, that accepts Your card to make deposits to an account by cash or check and perform other account transactions.

“Bill Payer” (BP) is the service that provides payments to third parties from Your designated Checking Share.

“Business Day” means all calendar days other than Saturday, Sunday, or the legal public holidays specified in 5 U.S.C. 6103(a), such as New Year’s Day, the Birthday of Martin Luther King, Jr., Washington’s Birthday, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, and Christmas Day.

“Check Payee” is a merchant/individual/company accepting only paper check payments.

“Checking Share” refers to any share for which You may write a check or use a Debit Card.

“Debit Card” refers to the Visa® Debit Card.

“Due Date” is the date the payment must reach Your account with the payee (or merchant) to avoid penalties.

“Digital Banking” means banking and other access to Your account from an Internet accessible device including but not limited to a mobile device, computer, or tablet.

“Electronic Deposit” refers to an Electronic Payment made to your PSECU deposit account.

“Electronic Payee” is a merchant/individual/company accepting only electronically transmitted payments.

“Electronic Payment” refers to a wire transfer or ACH Credit transfer and specifically does not include an ACH Debit transfer. Some examples of ACH Credit transfers include payroll, Social Security benefits, and pension or retirement payments.

“ET” refers to Eastern Standard Time or Eastern Daylight Time as applicable and hereinafter referred to as Eastern Time (ET).

“Mobile Deposit” refers to a deposit made by You by taking an image of the front and back of a check and submitting the image through PSECU’s mobile banking application.

“New Account” refers to an account during the first 30 calendar days after the account is established. An account is opened when the first deposit is made to the account. An account is not considered a new account, however, if each member on the account has a transaction account relationship with the depository institution that is at least 30 calendar days old or if each member has had an established transaction account with the depository institution within the 30 calendar days prior to opening the second account.

“Nonproprietary ATM” refers to an ATM that is not a proprietary ATM.

“Payment Date” is the date You have scheduled any payment to be processed, mailed, or transmitted by Us. If the Payment Date is on a holiday or weekend, the disbursement will be mailed or transmitted on the last business day before the holiday or weekend. Business days are Mondays through Fridays, exclusive of Our designated holidays.

“Personal Identification Number” or “PIN” refers to the identification number that You select as your credentials in order to access Your account and/or use the ATM service associated with the Debit Card.

“Point-of-Sale (POS)” refers to any purchase of goods and services (“Purchase”) that You make with Your Debit Card at any retail establishment (“Merchant”) that requires a signature on a receipt or the key entry of a PIN to validate the Transaction.

“Proprietary ATM” refers to an ATM that is (1) owned or operated by or operated exclusively for PSECU (2) located on the premises (including the outside wall) of PSECU; or (3) located within 50 feet of the premises of PSECU, and not identified as being owned or operated by another entity.

Where applicable throughout these terms and conditions, Debit Card purchases and ATM withdrawals have been specifically excluded in the use of the term Transaction.

“You”, “Your” or “Yourself” refers to applicant, member, joint owner, and other authorized party as applicable.

“We”, “Us”, “Our” or “Ours” refers to Pennsylvania State Employees Credit Union (PSECU).

PLEASE NOTE: The following apply to personal accounts.

SECTION 1: ACCOUNT AGREEMENT

A. INTRODUCTION – This document, along with any other documents We give You pertaining to Your account(s), is a contract that establishes rules that control Your account(s) with Us and includes certain Disclosures. Pennsylvania State Employees Credit Union (PSECU) is a state-chartered credit union. Please read this carefully. All terms and conditions, including any Fee Schedule, are subject to change at any time. We will announce all changes as required by law or regulation. Any changes to this agreement required by law are effective as of the date established by the relevant law. **By becoming a member of PSECU or using Our services, You agree to these terms and conditions including all future changes, additions and/or deletions. Visit psecu.com/disclosures for the current version.**

The deposit and membership relationship between You and Us is governed primarily by this agreement. It is also governed by: certain state and federal laws; the applicable rules or regulations of other proper regulatory and insuring authorities; and Our Bylaws and policies. If any provision of this agreement is declared invalid, unenforceable, or illegal, that part will not affect the validity of other provisions. Except for the Arbitration provision, which is governed by federal law as stated herein, this agreement is to be construed and will be governed in accordance with the laws of the Commonwealth of Pennsylvania without regard to the conflicts of laws provisions. You acknowledge that any disputes regarding this agreement and Your account relationship shall be subject to the jurisdiction of the courts in Dauphin County, Pennsylvania.

Any financial service provided by Us may be used for any Transaction permitted by law. You agree that illegal use of any financial service will be deemed an action of default or breach of contract. Use of any financial service in a manner not permitted by law may cause that service or related services to be terminated at Our discretion. You further agree, should illegal use occur, to waive any right to sue Us for such illegal use or any activity directly or indirectly related to it. Additionally, You agree to indemnify and hold Us harmless from any suits or other legal action or liability directly or indirectly, resulting from such illegal use.

We reserve the right to decline any Transaction that We consider fraudulent, suspicious, or illegal. We will not knowingly authorize charges related to unlawful Internet gambling. B. DISPUTE RESOLUTION – NOTICE AND CURE. You and PSECU agree that we shall attempt to informally settle any and all Disputes (as such term is

defined in the Arbitration Provision and Class Action Waiver (“Arbitration Provision”) in section C below) between us before starting a lawsuit or an Arbitration. The party asserting the Dispute (the “Claimant”) shall give the other party (the “Potential Defendant”) written notice of the Dispute (a “Dispute Notice”) and a reasonable opportunity to resolve the Dispute. Any Dispute Notice must explain the nature of the Dispute and the relief that is demanded. The Dispute Notice must be sent by U.S. Mail. The Potential Defendant shall have at least 30 days after receiving the Dispute Notice to attempt to resolve the Dispute except for Disputes requiring some form of expedited injunctive relief in a shorter period. The Claimant must reasonably cooperate in providing any information about the Dispute that the Potential Defendant reasonably requests. Further the Claimant, on request, shall meet with the Potential Defendant (or an authorized representative thereof) either in person or by video or telephone conference to discuss possible compromise or other resolution of the Dispute. Any such meeting that You attend in person must take place in a venue reasonably convenient to You. The Claimant and the Potential Defendant may have a lawyer or other representative present for such meeting. Rule 408 of the Federal Rules of Civil Procedure shall govern the admissibility of all statements, conduct or other discussions between the Claimant and the Potential Defendant regarding the possible compromise or resolution of the Dispute. On request, We will pay any reasonable, out-of-pocket expenses You incur in attending or participating in any such meeting.

Any Dispute Notice to You shall be sent in writing to the current address We have for You in Our records. Any Dispute Notice to Us shall be sent by mail to PSECU, Attention: Dispute Notice-LEGAL, P.O. Box 67013, Harrisburg, PA 17106-7013. If there are multiple parties on the account, the Dispute Notice may be sent to or by any of You. Any Dispute Notice You send must provide Your name and account number, as well as Your address and a phone number where You can be reached during normal business hours. A Dispute Notice from Us may be in the form of a collection letter or a notice demanding payment of a negative balance under the account either from Us or a third party acting on Our behalf. You may only submit a Dispute Notice on Your own behalf and not on behalf of any other party. No third party, other than a lawyer You have personally retained, may submit a Dispute Notice on Your behalf.

Any statute of limitations applicable to the Dispute described in the Dispute Notice shall be tolled during the period between the date that the Dispute Notice is mailed and the later of: (1) 60 days after the Dispute Notice is received, or (2) 30 days after either Claimant or Potential Defendant informs the other that good faith efforts to resolve the Dispute informally have ceased (the “Tolling Period”). Unless prohibited by applicable law, (1) a lawsuit or Arbitration proceeding (“Arbitration”) may not be commenced unless the Claimant has complied with this “Dispute Notice” section, (2) the court will have authority to enforce this “Dispute Notice” section, including the power to dismiss or stay the filing or prosecution of a lawsuit or Arbitration unless the Claimant has complied with this “Dispute Notice” section, and (3) the Arbitration administrator is without authority to accept or administer any Arbitration proceeding unless the Claimant has complied with this “Dispute Notice” section. Any subsequent Arbitration shall be governed by the terms of the Arbitration Provision in section C below.

C. DISPUTE RESOLUTION—ARBITRATION PROVISION; CLASS ACTION WAIVER; RIGHT TO OPT OUT.

READ THIS PROVISION CAREFULLY; IT WILL HAVE A SUBSTANTIAL IMPACT ON HOW LEGAL CLAIMS YOU AND WE HAVE AGAINST EACH OTHER ARE RESOLVED. AMONG OTHER THINGS, THIS AGREEMENT REQUIRES, AT THE ELECTION OF EITHER YOU OR US, THAT LEGAL CLAIMS AND DISPUTES BETWEEN YOU AND PSECU WILL BE RESOLVED BY AN INDIVIDUAL BINDING ARBITRATION PROCEEDING AND THAT YOU HAVE AGREED NOT TO RESOLVE SUCH CLAIMS OR DISPUTES AS A REPRESENTATIVE PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS ACTION PROCEEDING.

YOU HAVE THE RIGHT TO OPT OUT OF THE ARBITRATION PROVISION. OPTING OUT WILL NOT AFFECT ANY OTHER TERMS AND CONDITIONS OF YOUR ACCOUNT AGREEMENT OR YOUR RELATIONSHIP WITH PSECU. TO OPT OUT, YOU MUST PROVIDE WRITTEN NOTICE TO PSECU WITHIN THE TIME DEADLINES DESCRIBED BELOW IN THE SECTION TITLED “RIGHT TO OPT OUT OF ARBITRATION PROVISION.” Except as expressly provided herein, or otherwise prohibited by law or regulation, any and all disputes, claims, or controversies arising out of, connected to, or in any way related to Your past or present relationship with PSECU, including but not limited to disputes, claims or controversies concerning the PSECU Agreements and Disclosures, Your membership in PSECU, Your accounts at PSECU and/or any products, transactions, fees, charges or services related to Your accounts (hereinafter collectively referred to as the “Dispute”) shall, at the election of either You or Us, be resolved by binding Arbitration on an individual basis, without resort to any form of class action or other representative action, and regardless of applicable legal theory applied or remedy sought, legal or equitable. “Dispute” includes claims made directly by You and any Dispute made by third parties connected to You or Your accounts even if the Dispute arises out of, affects or relates to conduct that occurred prior to, or involves rights that accrued prior to, this Arbitration Provision becoming part of the PSECU Agreements and Disclosures. “Dispute” also includes data breach or privacy claims arising from or relating directly or indirectly to the disclosure by Us of any non-public information about You; any advertisement, solicitation or application relating to Your account(s); and the method(s) We use to communicate with You by telephone or other electronic device. “Dispute” includes claims of every kind and nature, including, but not limited to, initial claims, counterclaims, cross-claims and third-party claims and claims based upon contract, tort, fraud and other intentional torts, consumer rights, statutes, regulations, ordinances, common law and equity. Notwithstanding the foregoing, Disputes concerning the validity, enforceability or scope of this Arbitration Provision or the arbitrability of a Dispute shall be decided by a court rather than an arbitrator; however, Disputes concerning this agreement as a whole shall be decided by an arbitrator rather than a court. This Arbitration Provision is entered into and agreed to, and shall be interpreted and enforced pursuant to the Federal Arbitration Act (“FAA”), 9 U.S.C. §§ 1-16, notwithstanding any state law to the contrary. Solely for purposes of this Arbitration Provision, the terms “We,” “Us,” “Our” and “Ours” include PSECU, any of its corporate parents, subsidiaries, affiliates, assigns, successors, employees, officers, directors, agents, controlling persons and representatives, as well as any third party who is named as a co-defendant with Us in a Dispute asserted by You.

IN ARBITRATION, THE DISPUTE IS RESOLVED BY A NEUTRAL ARBITRATOR INSTEAD OF A JUDGE OR JURY. YOU ACKNOWLEDGE THAT ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY TRIAL AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IF ARBITRATION IS INITIATED BY ANY PARTY WITH RESPECT TO A DISPUTE, NEITHER YOU NOR PSECU WILL HAVE THE RIGHT TO LITIGATE THAT DISPUTE IN A COURT OF LAW.

Notwithstanding anything contained herein to the contrary, this Arbitration Provision or an Arbitration shall not limit the right of either party to: (1) obtain provisional or ancillary remedies, such as injunctive relief, writ of attachment, or protective order from a court having jurisdiction before, during or after the pendency of any Arbitration; (2) exercise permissible self-help remedies, such as set-off; (3) evict and/or foreclose against or sell any real or personal property collateral by the exercise of a power of sale under a mortgage or other security agreement or instrument, a deed of trust, or applicable law; (4) bring an individual action in court that is limited to preventing the other party from using a self-help or non-judicial remedy and that does not involve a request for damages or monetary relief of any kind and, (5) seek relief in small claims court (or an equivalent court in the state in which the member resides), for any Dispute within the scope of the small claims court's jurisdiction, however, if a claim is brought, transferred, removed or appealed to a different court, such claim shall be subject to arbitration pursuant to this Arbitration provision. In addition, this Arbitration provision does not prevent You from submitting any issue relating to Your account(s) for review or consideration by a federal, state, or local governmental agency or entity, nor does it prevent such agency or entity from seeking relief on Your behalf. Furthermore, this Arbitration Provision does not apply to litigation filed in state or federal court that is pending as of the date this Arbitration Provision took effect as long as such litigation is pending, except that parties or Disputes added to such litigation after said date shall be subject to this Arbitration Provision.

A written Arbitration demand shall be given for any Dispute and shall state the factual basis of the Dispute, the amount involved, and the relief requested. The binding Arbitration proceeding shall be administered and conducted by the American Arbitration Association ("AAA") under the AAA Consumer Rules and procedures and, if applicable, the AAA Mass Arbitration Supplementary Rules (collectively, the "AAA Rules") in effect at the time the Dispute is filed in accordance with the AAA Rules. The AAA Rules can be obtained on the AAA website free of charge at www.adr.org. If AAA is unable or unwilling to administer the Arbitration in accordance with this Arbitration Provision, another provider will be selected by the parties or, if there is no agreement, by a court with jurisdiction. The Arbitration shall take place within 50 miles of your U.S. residence at the time the Arbitration is commenced or at another place that both You and PSECU agree. If a party files a lawsuit in court asserting a Dispute that is subject to arbitration and the other party files a motion to compel arbitration with the court which is granted, it will be the responsibility of the party asserting the Dispute to start the Arbitration in accordance with the AAA's or other administrator's rules and procedures. Jurisdiction for any litigation authorized by this Arbitration Provision, or to seek judgment on any award by the arbitrator, shall be in the Dauphin County Court of Common Pleas or the United States District Court for the Middle District of Pennsylvania or in any court having

jurisdiction. A single arbitrator will conduct the Arbitration and shall be an attorney with at least 10 years of experience practicing law or a retired judge. If the parties cannot agree on an arbitrator, one may be appointed in accordance with the AAA Rules. The arbitrator shall decide the Dispute in accordance with applicable substantive law and the terms of this Arbitration Provision. The arbitrator shall be entitled to award the same remedies that a court can award in an individual case, including any kind of injunctive or declaratory relief that could be awarded by a court (but only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim). The arbitrator shall issue a reasoned, written opinion. The arbitrator's award can be entered as a judgment in court. Except as provided in the FAA, the arbitrator's award is not subject to review by the court and cannot be appealed. No arbitration award involving the parties will have any preclusive effect as to issues or claims in any Dispute involving anyone who is not a party to the arbitration, nor will an arbitration award in prior Disputes involving other parties have preclusive effect in an arbitration between the parties to this Arbitration provision.

The parties shall pay administrative, hearing and arbitrator fees in accordance with the administrator's rules and Fee Schedules. However, if You notify Us in writing that You cannot pay Your share of the fees and could not obtain a fee waiver from the AAA or other administrator (after submission of any required forms and documentation), and if Your request is reasonable and in good faith, We will pay or reimburse You for all or part of Your fees. If the arbitrator determines that any party's claim or defense violates the standards of Federal Rule of Civil Procedure 11(b), the arbitrator may award fees and expenses reasonably incurred by the other party if they could be imposed under Federal Rule of Civil Procedure 11, the AAA Rules, or other applicable law. The parties shall bear the fees and expenses of their own attorneys, experts and witnesses unless otherwise required by applicable law, this Arbitration Provision or the AAA Rules.

This Arbitration Provision shall survive (i) termination or suspension of Your accounts or any related services; (ii) changes to Your accounts or related services; (iii) the bankruptcy of any party; (iv) other legal proceedings; (v) transfer or assignment of Your accounts or any related services; and (vi) any use of the right to set-off or other self-help remedies. In the event of any conflict or inconsistency between this Arbitration Provision, on the one hand, and other terms of this agreement or the administrator's rules, on the other hand, this Arbitration Provision will govern.

CLASS ACTION WAIVER – The parties agree that any and all Disputes must be brought on an individual basis, and not as a plaintiff or class member in any class, private attorney general or other representative proceeding. The parties expressly waive any right or ability to maintain a class action, private attorney general action or other representative proceeding in court or in arbitration in any form. The parties agree to arbitrate solely on an individual basis, and that the arbitrator may not conduct class arbitration, or any claims brought as a plaintiff or class member in any class or representative arbitration proceeding. Unless all parties agree otherwise, the arbitrator may not consolidate or join more than one person's claims **ANY ARBITRATION OF A DISPUTE WILL BE ON AN INDIVIDUAL BASIS. YOU UNDERSTAND AND AGREE THAT YOU ARE WAIVING THE RIGHT TO PARTICIPATE AS A CLASS**

REPRESENTATIVE OR CLASS MEMBER IN A CLASS ACTION, PRIVATE ATTORNEY GENERAL ACTION OR OTHER REPRESENTATIVE LAWSUIT IN COURT OR IN ARBITRATION BASED IN WHOLE OR IN PART ON A DISPUTE WITH PSECU.

If any part of this Arbitration Provision is found to be invalid or unenforceable, then that specific part shall be severed, and the rest of this Arbitration Provision will continue in full force and effect, except that: (A) the entire Arbitration Provision (other than this sentence) shall be null and void with respect to any Dispute asserted on a class, representative or multiple-party basis if the Class Action Waiver is held to be invalid with respect to such Dispute and that determination becomes final after all appeals have been exhausted; and (B) if a court determines that a public injunctive relief Dispute may proceed notwithstanding the Class Action Waiver or other terms of this Arbitration Provision, and that determination becomes final after all appeals have been exhausted, then the public injunctive relief Dispute will be decided by a court, any individual Disputes will be arbitrated, and the parties will ask the court to stay the public injunctive relief Dispute until the other Disputes have been finally concluded.

RIGHT TO OPT OUT OF ARBITRATION PROVISION. If You do not want this Arbitration Provision to apply, You may reject it by mailing Us a written rejection notice which gives Your full name, address and account number as listed on your account and contains a statement that You (both or all of You, if more than one) reject the Arbitration Provision in your account agreement. The rejection notice must be signed by you and sent by U.S. Mail to PSECU, Attention: Arbitration Opt Out, P.O. Box 67013, Harrisburg, PA 17106-7013 in accordance with the following time deadlines:

- **IF YOUR ACCOUNT WAS OPENED AFTER MARCH 21, 2025,** a rejection notice must be postmarked within 45 days of the date your account was opened.
- **IF YOUR ACCOUNT WAS OPENED BETWEEN JUNE 29, 2021, AND MARCH 21, 2025,** a rejection notice must be postmarked no later than 45 days after MARCH 21, 2025.
- **IF YOUR ACCOUNT WAS OPENED ON OR BEFORE JUNE 28, 2021,** a rejection notice must be postmarked no later than 45 days after MARCH 21, 2025. In addition, the following conditions apply:
 - If you rejected the Arbitration Provision in a previous version of this agreement, you do not need to send us a new rejection notice since we already have a record of your prior opt out.
 - If you did not reject the Arbitration Provision in a previous version of this agreement, rejecting this version of the Arbitration Provision will not reject the previous version, which will remain in full force and effect according to its terms.

Rejection of this Arbitration Provision will not affect your other rights or responsibilities under this agreement and will not adversely affect Your account. Your rejection of this Arbitration Provision shall not be imputed to any other person or entity or be deemed to be a rejection of this Arbitration Provision by any person or entity other than You. Nor shall Your rejection of this Arbitration Provision eliminate the obligation of other persons or entities who wish to reject this Arbitration Provision to personally comply with the notice and time requirements of this opt out provision.

D. STATUTORY LIEN AGREEMENT/SET-OFF RIGHTS

You acknowledge that We have an automatic statutory lien against all funds deposited with Us whether deposited into an account for You alone (“Individual Account”) or into an account for You and another person or persons (“Joint Account”). You agree for Yourself and with any other person whose name appears with Yours on the account records of PSECU that all funds deposited in Your Individual or Joint Account are fully available to pay any negative balance in another deposit account or to pay any amount owing on any loan or other extension of credit, regardless of whether the account records of PSECU for such other deposit account or loan or other extension of credit account indicate such deposit account to be an Individual account for You alone or a Joint Account for You and other persons. Each depositor acknowledges that We have the right to charge or set-off against any PSECU deposit account for any debt or other obligation owing by a depositor named on the PSECU account records, either individually or jointly, except where such PSECU deposit account is an Individual Retirement Account or is otherwise protected from set-off under state or federal laws. Each depositor agrees that when exercising this right to set-off We may take all funds on deposit to repay the obligation of each, either, or all depositors identified on the PSECU account records.

U.S.A. PATRIOT ACT IDENTITY VERIFICATION NOTICE

Important Information About Procedures for Opening a New PSECU Account

To help our government fight the funding of terrorism and stop money laundering activities, Federal law requires all financial institutions, including PSECU, to obtain, verify and record information that identifies each person who opens an account.

What this means for You: When You open an account, We will ask for Your name, address, date of birth, Taxpayer Identification Number (TIN) usually Your Social Security Number) and other information that will allow Us to identify You. We may also ask to see Your driver’s license or other identifying document(s). The law requires Us to maintain records of identification verification and periodically update this information.

Please be assured that the same strict confidentiality of Your information maintained by PSECU will be continued as required under the Gramm-Leach-Bliley Privacy Act and PSECU’s Privacy Policy.

E. MEMBERSHIP

To join PSECU you must become a member. Eligibility for membership with Us is limited to persons within groups that are approved by the Pennsylvania Department of Banking and Securities. Each member must maintain at least one Regular Savings Share (“membership share”), with a minimum \$5 balance. Credit union members have two fundamental rights: the right to vote; and the right to own shares.

You authorize Us to check Your account, credit and employment history, and obtain information from third parties, including consumer reporting agencies and credit reporting agencies, to obtain copies of Your consumer and credit reports to verify Your eligibility for the accounts and services You request.

We may, at our sole discretion, suspend account services for any of the reasons listed below. If We suspend Your account services that means, for any account(s) on which You are an owner, joint owner, co-borrower or authorized party, We may restrict (1) Your Digital Banking access, (2) use of all cards (credit and debit), (3) use of checking services, or (4) any other PSECU services.

Reasons for suspension, include, but are not limited to the following:

- Violating the Bylaws, Agreements and Disclosures, or any other agreement made between the member and Us for use of a product or service (examples include, but are not limited to: non-payment of past due loans, not resolving negative share balances, or misuse of card services);
- Using any financial service in a manner We, in our sole discretion, consider fraudulent, suspicious, illegal, or We reasonably believe that doing so is necessary to avoid a loss or reduce risk to Us, You, or the membership as a whole; and
- Engaging in abusive, threatening, harassing, or likewise inappropriate behavior.

We will provide notice of the suspension to You. Notice to any one owner is notice to all owners. If Your services are suspended, You may apply for services after a designated waiting period established by Us. We may also expel a member as provided in PSECU's Bylaws. If there is no financial activity for a year or more, Your account (all shares, services, and loans including Visa®) will be considered dormant and We may assess a fee. If the balance in the account is less than the fee amount, the total amount remaining will be charged and the account closed. To avoid the fee, account owners and/or agents can simply make a deposit/withdrawal or contact PSECU.

F. ACCOUNT TYPES

The classification, ownership, and type of Your account are designated on the application when You open the account. We reserve the right to refuse certain types of account ownership. We make no representations as to the appropriateness or effect of the ownership except as it determines to whom We pay the account funds. The account types described in this section are for CONSUMER purposes only. Transactions relating to the operation of a business of any kind must be conducted through a Business account only (see Section H below and PSECU's Business Terms and Conditions).

INDIVIDUAL ACCOUNT - An account in the name of one person. As an individual account owner, You are the only person authorized to perform Transactions on the account.

JOINT ACCOUNT - An account in which ownership is shared by the member with one or more persons. The account is owned jointly with the right of survivorship. We may accept orders, instructions, and Transactions from any account owner. Being a joint owner does not establish credit union membership. **Adding a joint owner requires an application to change account ownership.**

Each joint owner may:

- Make deposits into the account;

- Withdraw any or all of the funds on deposit (excluding IRAs) without the consent of the joint owners;
- Pledge shares in this account as collateral security to a loan on another account in which he/she is an owner; and
- Make requests for future services.

In addition to the above, each joint owner:

- Agrees to be liable for any negative balances, including fees and costs, created by the actions of any joint owner, in any jointly held account; and
- Authorizes Us to reverse and deduct any amounts We receive for deposit if the payee is neither an owner nor joint owner of the account.

If We receive written notice of a dispute between account owners or receive inconsistent instructions from them, We may:

- Suspend or terminate the account;
- Require a court order to act; or
- Require that all account owners agree in writing to any Transaction concerning the account.

We will lend only to Our members. Loans may be requested either by the member only (individual credit) or by the member and any other person (joint credit). Individual credit cannot be granted to account owners who are joint owners.

MINOR ACCOUNTS - We offer Minor accounts for Individuals and Joint Owners. Minors are not eligible for loans.

For any account established by or for a minor, We reserve the right to require a joint owner who is at least 18 years old and will be primarily liable to Us for any returned item, overdraft, or unpaid charges. The minor may make deposits into the account, withdraw any or all of the funds on deposit, and if applicable, stop payment on any checks drawn on the account. The parent or guardian will not have the power to attach or transfer any shares issued to the minor. Other than these provisions, the rules governing standard joint accounts established with a minor and joint account owned by adults are the same (See Page 10, “Joint Account”). We may make payments of funds directly to the minor without regard to his/her age. We have no duty to inquire about the use or purpose of any Transaction by the minor or any account owner.

G. SPECIALTY ACCOUNTS

You should read the following descriptions and determine which type of account ownership You prefer before establishing the account.

1. CUSTODIAL ACCOUNT - Your rights and duties are governed by the Pennsylvania Uniform Transfers to Minors Act (“UTMA”). The act allows parents or other interested persons (the custodian) to make an irrevocable gift to a minor without needing a court-appointed guardian. The minor is

the sole owner of the account but has no transactional authority. A successor custodian can be named on the application to serve in the event of death, incapacity, or resignation of the custodian. Successor custodians, however, have no access or rights to the account while the custodian is acting. Dividends on the account are reported to the IRS as income to the minor. The custodian retains authority to deal with the property, serving the interests of the minor until the minor reaches the age of 21, unless otherwise provided for under the UTMA laws. After the minor reaches the age of 21, the custodian must close or transfer the account using the required PSECU forms. We will not close this type of an account at the minor's request without a court order. Loans are not permitted on Custodial accounts.

2. TRUST ACCOUNTS - We offer two types of trust accounts. **Trust** - Is held by one or more trustees for the benefit of one or more beneficiaries based on a trust agreement. Please have Your attorney develop and review all trust agreements. Upon Our request, the trustee will provide Us with a copy of the full trust agreement. The settlor of the trust must be a member of PSECU. We are not authorized to act as a trustee or to monitor the activities of the trustee(s). The trustee agrees to notify Us in writing if a change of trustee occurs.

Tentative Trust - Is revocable, and the account owner(s) can make any changes to the account anytime. I. POWERS OF ATTORNEY (Not available on all account types)

Before We can acknowledge authority of Your agent to act on Your behalf, We will require a properly executed power of attorney document for Our review. We recommend that You consult with an attorney for assistance with drafting a power of attorney document.

J. ACCOUNT STATEMENTS

Contents - If a periodic statement is provided, You agree that only one (1) statement is necessary for joint accounts, mailed or emailed to the address of record provided for in connection with the account. Only Owners, Joint Owners and authorized parties may modify the address of record for account statements. For share draft or checking shares, You understand and agree that Your original check or draft, when paid, becomes the property of PSECU and may not be returned to You, but copies of the check or draft may be retained as required by law, by Us or by payable-through financial institutions and may be made available upon Your request for a fee as set forth in the Fee Schedule. You understand and agree the statements are made available to You on the date they are sent to You, whether by mail or electronic notice that statements are available for viewing. You also understand that checks, drafts, or copies thereof are made available to You, even though the checks or drafts do not accompany the statement.

Examination - You are responsible for examining each statement immediately upon receipt and reporting any irregularities to Us. If We suffer a loss because of Your failure to report any unauthorized signature on or alteration of a check to Us, You are precluded from asserting a claim against Us for that unauthorized signature or alteration. You will also be precluded from making

a claim against Us for any unauthorized signature or alteration by the same wrongdoer if You do not report the first unauthorized signature or alteration by wrongdoer within 60 days from when We made that statement available to You showing the wrongdoer's first unauthorized signature or alteration. If You fail to report any irregularities such as forged, altered, unauthorized, unsigned, counterfeit, erroneous or otherwise fraudulent Transactions drawn on Your account or other discrepancies reflected on Your statement within sixty (60) days of the date We made the statement available to You, We will not be responsible for Your loss in connection with such irregularity reflected on Your statement and will have no obligation to credit Your account in the amount of the irregularity. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of a facsimile signature machine. You agree not to institute any legal proceeding or action against Us for any claim which You may have regarding any such irregularities unless (1) You have given written notice to PSECU of the irregularity in the time frame described above, and (2) such legal proceeding or action has been commenced within one (1) year after the date when such statement was mailed or made available to You. The terms of Our Electronic Fund Transfers (Regulation E) Disclosures will control the process and time frame for reporting errors with electronic fund transfers.

Statement Concerns - You agree that PSECU's retention of checks or drafts does not alter or waive Your responsibility to examine Your statements or the time limit for notifying Us of any irregularity. The statement will be considered correct for all purposes, and We will not be liable for any payment made or charged to Your account unless You provide notice to PSECU in writing within the time limit provided for in this agreement notifying Us of any irregularities. If You fail to receive a periodic statement, You agree to provide notice to PSECU within 14 days of the time You regularly receive a statement. If You do not receive a statement from Us because You have not supplied Us with Your correct mailing address or email address, We may stop sending Your statements until You supply Us with Your correct mailing address or email address, and We will have no liability to You for failure to provide a statement.

K. ACCOUNT SECURITY

The following alone or in combination are the agreed-upon account credentials used to access Your PSECU account: PIN(s) (Personal Identification Number(s)), User ID(s), username(s), card PIN(s), Digital Banking password(s) and/or any biometric login(s). They identify You to Us, and We will rely on instructions received under these account credentials. You agree that the use of these account credentials will have the same effect as Your signature authorizing any Transaction. You are responsible for keeping all account data including the data tied to Your account credentials confidential.

Where You have authorized any other person to use Your account credentials in any manner, Your authorization is considered by Us to be unlimited in amount and duration. Granting another person access to Your account via any account credential will make You financially liable for any loss incurred or misuse of the account. The Electronic Fund Transfers (Regulation E) Disclosure contains more information regarding Your liability for unauthorized activity in Your account. Your authorization will be effective until:

- You have notified Us in writing that You have revoked the authorization;

- You have changed Your account credentials; and
- We have had a reasonable opportunity to act upon a request to change Your account credentials.

To maintain secure communications and reduce fraud, **You agree to protect Your account credentials.** We reserve the right to block access to Your account and services if We reasonably believe Your PIN(s) or password has been or is being used by an unauthorized person(s).

In cases where You mistakenly disclose confidential information to any individual who should not have access to Your account, You, the accountholder, are in the best position to prevent resulting fraudulent Transactions directed at Your account and to detect them if they occur. If You fail to do so or if You fail to do so in a timely manner, You may suffer a loss which We are not obligated to pay back to You. Examples of fraudulent Transactions could include when You mistakenly provide confidential information to a fraudster by phone, text, or email, and they use it to access Your account.

SECTION 2: CHECKING TERMS AND CONDITIONS

A. INTRODUCTION

You understand that a Checking Share is a credit-related service and authorize Us to obtain a credit report on any owners. We are authorized to honor checks executed by any one of the individuals listed as owners. We reserve the right to reject any checks, drafts, or other items payable to a person other than an owner of the account into which it is being deposited. Ownership of the Checking Share shall be determined by Your membership application and/or joint ownership agreement, if/as applicable. You agree that the use of this Checking Share constitutes acceptance of the terms and conditions.

From time to time, We may impose charges in connection with Your Checking Share in accordance with Our policy.

B. OVERDRAFT

Overdraft Liability

You are responsible to have sufficient available funds in Your account to cover Transactions. An overdraft occurs each time You do not have enough money in the available balance in Your account to cover a Transaction at the time it is presented to PSECU for payment. PSECU may report information about your account to credit bureaus. Late payments, missed payments, negative share balances or other defaults on your account may be reflected in your credit report. When the Transaction is paid, Your account may be subject to a fee, as disclosed on the Fee Schedule. If We pay an overdraft ACH or Check (including Bill Payer Checks) You will be charged a Courtesy Pay Fee. If We decline to pay an overdraft ACH or Check (including Bill Payer Checks), it will be rejected as a returned item and You will not be charged a Non-Sufficient Funds (NSF) Fee. You will not be charged any fees if we decline to authorize a Debit Card payment transaction or ATM withdrawal. Courtesy Pay Fees (overdraft fees) and NSF Fees (returned item fees) are described in our Fee Schedule. Check (including Bill Payer Checks) and ACH payment transactions that are declined may be presented to us again for

payment multiple times until paid. You may be charged a Courtesy Pay Fee each time a Check (including Bill Payer Checks) and ACH payment transaction is presented for payment even if it was previously declined. We offer the Overdraft Protection Transfer Service, at no cost, to avoid overdraft fees.

Understanding Current vs. Available Balances

Your current balance may differ from Your available balance. It is important to understand how both balances work to avoid overdrafts. We use your available balance at the time Transactions are presented to us to decide whether to authorize them for payment. We also use available balance at the time a Transaction is posted and actually paid to determine whether we will assess a Courtesy Pay Fee. Your current balance is defined as the full amount of all deposits made into Your account less payment Transactions that have posted to Your account. Current balance is the balance reflected on Your monthly statements. Your available balance is defined as the current balance less holds on deposits and amounts You have asked Us to authorize for certain purchases You have made with Your Debit Card or Electronic Bill Payer Transactions. Available balance is the amount of money in Your account that is available for You to use. Both balances can be viewed in Digital Banking, at an ATM, by phone, or at a branch.

The difference in Your available balance versus Your current balance is most commonly due to holds on deposits or holds in place for Debit Card purchases or Electronic Bill Payer Transactions. When You make a purchase using a Debit Card, a merchant may electronically request a temporary hold on Your account for a specific amount, which may at times be more than the actual purchase amount. This temporary hold will eventually be released, typically occurring when the Debit Card purchase or Electronic Bill Payer Transactions are posted to Your account. Until the Debit Card purchase or Electronic Bill Payer Transaction posts, and the hold is released, Your current balance will be reduced by the amount of the authorized temporary hold, resulting in an available balance that is less than the current balance. Outstanding checks (including Bill Payer Checks) You have written which have not cleared Your account are not included in and do not reduce Your available balance.

Transaction Processing

Checks (including Bill Payer Checks), ACH Transactions, and Electronic Bill Payer Transactions are processed in separate files that post at different times throughout the day depending on the type of Transaction.

Incoming checks (including Bill Payer Checks) clear in a member's account from lowest dollar amount to highest dollar amount for each file processed.

Incoming ACH Transactions clear in a member's account from lowest dollar amount to highest dollar amount for each file processed.

Electronic Bill Payer Transactions are posted in Bill Payment number order for each file processed.

When posting checks (including Bill Payer Checks) and ACH Transactions, if there are no available funds in the Checking Share to pay the Transaction, Overdraft Protection Transfer Service will pull funds to pay the Transaction.

If You have opted out of Overdraft Protection Transfer Service or no funds are available to transfer, then Courtesy Pay will be applied to the account if You

are eligible and have not opted out of the service. A Courtesy Pay fee will be assessed for each Transaction paid by Courtesy Pay. When the Courtesy Pay limit has been reached or eligibility criteria are not met, Transactions (except Debit Card purchases or ATM withdrawals) will be returned unpaid. Merchants or payees may present a check (including a Bill Payer Check) or ACH Transaction multiple times for payment if the initial or subsequent presentment is returned unpaid. Each presentment for payment is a separate and unique Transaction and if there are no available funds in the Checking Share to cover the Transaction and no funds are available to transfer according to the Overdraft Protection Transfer Service options, and the Courtesy Pay limit has been reached or eligibility criteria are not met, the Transaction (except Debit Card purchases or ATM withdrawals) will be returned unpaid. No NSF fee is charged when a Debit Card payment transaction is authorized on available funds but there are non-sufficient available funds when that Debit Card transaction is presented for payment. Instead, that Debit Card transaction will be paid as authorized even if it causes a negative balance in the account.

Non-Sufficient Funds (NSF)

Non-Sufficient Funds (NSF) refers to the status of a Checking Share that does not have available funds to authorize or pay a Transaction when presented. If a Transaction (except for Debit Card purchases or ATM withdrawals) is declined based on non-sufficient available funds, the Transaction will be returned unpaid and you will not be charged a NSF fee.

Overdraft Protection Transfer Service

Overdraft Protection Transfer Service is a service that will pull money from another share or loan account in the event Your Checking Share does not have sufficient available funds to pay incoming Transactions. If You are eligible to enroll, the default setting will transfer funds from Your Regular Shares. You may change Your settings within Digital Banking, calling a Member Service Representative at 800.237.7328, or completing the Modify Your Overdraft Protection Transfer Service Options form available on psecu.com/forms. There are no fees for this service.

Funds will be transferred to Your Checking Share from another share or loan account, as You have directed, in the event You do not have sufficient available funds to pay incoming Transactions, excluding ATM and one-time debit transactions. Account types that can be selected to pull funds to cover Your Checking Share include Your Savings Shares (Regular and Additional Savings Shares), Money Market Share, Founder's Visa® Credit Card or Classic Visa® Credit Card. Selecting a Visa® credit card as an Overdraft Protection Transfer Service option constitutes authorization to advance funds from Your loan as a cash advance and subject to all applicable Visa® credit card fees and interest. To set up a Visa Credit Card for Overdraft Protection Transfer Service, You may need to complete the Overdraft Protection Transfer Service form.

Overdraft Protection Transfer Service options are exhausted before Courtesy Pay is applied.

Overdraft Protection Transfer Service is not available for Custodial Accounts and also may not be available for some other Specialty Account Types.

Courtesy Pay

We offer a discretionary service known as Courtesy Pay. If You opt-out of Courtesy Pay it will not be available to You. If You do not opt-out of Courtesy Pay, if a check (including Bill Payer Check) or ACH Transaction is presented for payment and Your account does not have a sufficient available balance to pay it, then We may choose to pay that check (including a Bill Payer Check) or ACH transaction and overdraw Your account and Your account will be charged a Courtesy Pay fee (overdraft fee), as disclosed in the Fee Schedule. Courtesy Pay is not available for one-time Debit Card purchases, ATM or Electronic Bill Payer Transactions.

After an account has been opened for 90 days, qualifying members are automatically enrolled in Courtesy Pay if eligibility criteria are met and a member is in good standing as defined by PSECU's Bylaws. Basic Service Accounts are ineligible for Courtesy Pay.

The Courtesy Pay limit is \$500.00. Courtesy Pay fees as well as the amount of the overdraft item will be subtracted from the Courtesy Pay limit. Subject to the Courtesy Pay limit of \$500.00, there is no separate limit to the number of Courtesy Pay fees or the total amount of Courtesy Pay fees that may be incurred per day if You overdraw Your account. When the Courtesy Pay limit is reached, Transactions (except for Debit Card purchases or ATM withdrawals) will be returned unpaid.

We have no obligation to notify You if Your account does not have sufficient available funds to pay a Transaction. Except as otherwise agreed in writing, if We use our discretion to pay a Transaction and charge a Courtesy Pay fee, We are not obligated to pay such Transactions in the future and may discontinue paying such Transactions at any time without notice.

On Your periodic statement, the Aggregate Box includes both Courtesy Pay (overdraft - paid check or ACH) and NSF (returned item - unpaid check or ACH) line items from Transaction history. Total Overdraft fees include the total of Courtesy Pay fees assessed in the statement period and total Courtesy Pay fees assessed in the calendar year. Total Returned Items Fees includes the total of NSF fees assessed in the statement period and total NSF fees assessed in the calendar year.

How to Opt-Out of Courtesy Pay

Account owners may opt out of Courtesy Pay available on Your Checking Share, at any time by calling 800.237.7328.

If account owners have opted-out of Courtesy Pay and would like to opt back in, they may do so at any time by calling 800.237.7328.

Stop Payment Orders - If You do not want Us to pay a check You have written, You can order Us to stop payment. You can notify Us by mail, by telephone, by secure email within Digital Banking, by completing a stop payment form in Digital Banking, or by telling Us in person. For an immediate response, telephone notification is the best method by calling 800.237.7328.

A stop payment order must be received prior to the presentation of the Check for payment. An oral stop payment order lapses after 14 calendar days unless it is confirmed in writing within that period. A written stop payment order will be valid upon receipt by Us and is effective for six months.

If a stop payment form is filled out using Digital Banking, the order will be valid for six months. We have no obligation to notify You upon the expiration of a stop payment order. To place a valid stop payment order, You must provide Us with the check number and Your account number. We are not responsible if stop payment orders cannot be completed due to incorrect information You supplied to Us or Your failure to provide any other reasonable information regarding the item. We are entitled to a reasonable period of time after receiving a stop payment order to act upon Your request. If this is a joint account, we will accept a stop payment order from any owner regardless of who wrote the check. We may assess a fee for a stop payment order in accordance with Our Fee Schedule.

Specialized Checks - Stop payment orders on PSECU Cashier's Checks are not permitted. However, if a PSECU Cashier's Check is not received, or was lost, stolen, or destroyed after receipt, You can contact PSECU and request either the issuance of a replacement PSECU Cashier's Check or the reversal of the PSECU Cashier's Check Transaction in the member's account.

Stale Checks - We are under no obligation to do so, but We may pay a check, which is presented more than six months after its date.

Postdated Checks - You agree not to date a check later than the date that You write it. If You do write a postdated check and it is presented for payment prior to its written date, We will not be responsible for paying it prior to the written date and may debit Your account for the amount of the check when it is presented.

Conditions/Notations on Checks - You agree that if You add any comments or notations (e.g. "payment in full," "for full satisfaction," "not valid after 30 days," "two signatures required") to any payment checks or checks for deposit, We will not take the check subject to any such comments or notations and We may disregard such comments or notations and process the check according to Our standard procedures without prejudice. You further agree that We will not be responsible for any claim of loss, damages, expenses, or non-payment which might arise as a result of the additional comments or notations You have made on the check. We will not be liable for paying or not paying a check or other item that contains additional language.

Electronic Check Conversion - In this process, Your check is used as a source of information for the check number, Your account number, and the number that identifies Us in the banking system, Our routing transit number. The information is then used to make a one-time electronic payment from Your account. This action is called an electronic fund transfer. The check itself is not the method of payment.

You have the rights to:

- Receive notice when You provide Your check telling You that information from the check will be used to make an electronic payment from Your account;
- Receive a notice telling You of any fee that the merchant will collect from Your account electronically, if You do not have enough funds in Your account to pay the Transaction when You provide Your check. This fee is similar to a merchant "bounced check";
- Receive a receipt when You make a purchase at a store. The receipt should contain information about the Transaction, including date, amount, and location and name of the merchant;

- Have this same information included as part of the regular account statement; and
- Ask Us to investigate any electronic fund transfers from Your account that You believe are unauthorized or incorrect.

C. SUBSTITUTE CHECK POLICY DISCLOSURE

SUBSTITUTE CHECKS AND YOUR RIGHTS - Important Information About Your Checking Share

What is a Substitute Check? To make check processing faster, federal law permits financial institutions to replace original checks with “substitute checks.” These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: “This is a legal copy of your check. You can use it the same way you would use the original check.” You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that You receive back from Us may be substitute checks. This notice describes rights You have when You receive substitute checks from Us. The rights in this notice do not apply to original checks or to electronic debits to Your account. However, You have rights under other law with respect to those Transactions.

What Are My Rights Regarding Substitute Checks? In certain cases, federal law provides a special procedure that allows You to request a refund for losses You suffer if a substitute check is posted to Your account (for example, if You think that We withdrew the wrong amount from Your account or that We withdrew money from Your account more than once for the same check). The losses You may attempt to recover under this procedure may include the amount that was withdrawn from Your account and fees that were charged as a result of the withdrawal.

The amount of Your refund under this procedure is limited to the amount of Your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of Your refund if Your account is an interest-bearing account. If Your loss exceeds the amount of the substitute check, You may be able to recover additional amounts under other law.

If You use this procedure, You may receive up to \$2,500 of Your refund (plus interest if Your account earns interest) within 10 business days after We received Your claim and the remainder of Your refund (plus interest if Your account earns interest) not later than 45 calendar days after We received Your claim.

We may reverse the refund (including any interest on the refund) if We later are able to demonstrate that the substitute check was correctly posted to Your account.

How Do I Make a Claim for a Refund? If You believe that You have suffered a loss relating to a substitute check that You received and that was posted to Your account, please contact Us by telephone at: 800.237.7328 or write Us at: PSECU, P.O. Box 67013, Harrisburg, PA 17106-7013. You must contact Us within 40 calendar days of the date that We mailed (or otherwise delivered by a means to which You agreed) the substitute check in question or the

account statement showing that the substitute check was posted to Your account, whichever is later. We will extend this time period if You were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why You have suffered a loss (for example, You think the amount withdrawn was incorrect);
- An estimate of the amount of Your loss;
- An explanation of why the substitute check You received is insufficient to confirm that You suffered a loss; and
- A copy of the substitute check and/or the following information to help Us identify the substitute check: For example, the check number, the name of the person to whom You wrote the check, the amount of the check.

SECTION 3: DEBIT CARD TERMS AND CONDITIONS

These terms and conditions govern the Visa® Debit Card (“card”). The use of this card will signify Your acceptance of the terms and conditions. If two or more persons have signed the Debit Card application to which these terms and conditions apply, You jointly and individually agree to the terms and conditions. Debit Card service is governed by Electronic Fund Transfers (Regulation E) Disclosure. To read this disclosure, see page 29.

The cards remain Our property, and You must recover and surrender to Us all cards upon our request and upon termination of these terms and conditions. You agree that the Debit Card is non-transferable.

Debit Card and ATM Transactions - You agree that We may debit and credit the shares and line of credit accounts associated with the Debit Card issued to You in accordance with the instructions You give.

AFFECTED ACCOUNTS - You agree that Your Checking Share will be subject to these terms and conditions and the Transactions that they describe. You also acknowledge that You are listed as an individual or joint owner of the Checking Shares. You also agree that any account that You have set up for Overdraft Protection Transfer Service, including any line of credit, will also be subject to these terms and conditions and the Transactions they describe. Should We receive any Debit Card or other debit Transaction that is greater than the available balance of funds in Your Checking Share, We may, at our sole option and without regard to which cardholder completed the Transaction, either settle the Transaction and add the excess to any loan that You may have set up as Overdraft Protection Transfer Service or deduct it from any share You have set up as Overdraft Protection Transfer Service. The exercise by Us of any Overdraft Protection Transfer Service option to any line of credit constitutes authorization by You to advance funds from Your line of credit regardless of whether the joint accountholder is also a party to the line of credit. All owners agree to be liable for any negative balances, including fees and costs, created by the actions of any joint owner, in any jointly held account. If We sue You to collect any outstanding negative account balances, You agree to be liable for Our costs and expenses, including reasonable attorneys’ fees incurred in connection with the suit. You also agree that these terms and conditions will apply to deposit and line of credit accounts that You have with Us now and in the future.

The following Debit Card Transactions are permitted:

DEBIT CARD TRANSACTIONS - The Debit Card can be used without Your PIN for Point-of-Sale Transactions with Merchants that accept Visa® Debit Card Transactions. You agree that We may treat the instructions that You give in this way as if they were written orders bearing Your genuine signature.

The card with Your PIN can be used at ATMs and POS locations. You may use the card at an ATM to: (1) withdraw cash; (2) make deposits; (3) effect transfers; or (4) receive information regarding the balance in Your account(s).

You further understand You may use the card to Purchase goods and services (“Purchase”) at any Merchant where the card is accepted by such Merchant.

If You use the card to make a Purchase or to obtain cash, if permitted by the Merchant, You shall be requesting Us to withdraw funds in the amount of such Purchase (including any cash received from the Merchant) from Your Checking Share and directing or ordering Us to pay such funds to the Merchant.

USE OF PIN - You acknowledge that the PIN You use with the card is Your signature, identifies You to the PLUS® or NYCE® system or other network ATM, and authenticates and validates the directions given just as Your actual signature and other proof to identify You. You also understand that a Merchant that accepts the card for a Purchase Transaction may have an electronic terminal (Merchant operated or self-service), that requires the use of Your PIN and when Your PIN is used at a Merchant’s terminal, it will authenticate and validate the directions given just as Your actual signature will authenticate and validate Your directions given to Us. You acknowledge that Your PIN is an identification code that is personal and confidential and that the use of Your PIN with the card is a security device for Your account(s). Therefore, You agree to take all reasonable precautions that no one else learns Your PIN.

LIABILITY FOR UNAUTHORIZED TRANSACTIONS - If anyone repeatedly tries to use an incorrect PIN to order any electronic Transactions from Your shares, We may prevent further use of Your Debit Card and ATM PIN. See Regulation E Disclosure section on page 29 for additional information on error resolution.

PREAUTHORIZED PURCHASES - We may suspend preauthorized Purchases if Your Debit Card is lost or stolen or Your Debit Card number or expiration date changes. While the preauthorized Purchases are suspended, You are responsible for making payment directly to the Merchant.

FEES - ATM TRANSACTIONS - You agree to pay a fee in accordance with Our Fee Schedule for each returned deposited item. You agree to pay the charges or Transaction fees that are charged by Us for these services or for services that may later be offered as such fees or charges may be imposed or changed from time to time. You agree to pay a fee in accordance with Our Fee Schedule for each ATM deposit adjustment (entry errors, math errors, incorrect endorsements, etc.).

RUSH FEES - You may incur additional charges for rush processing and rush delivery of the card(s) and/or PIN mailers.

SALES DRAFT COPIES - You may incur an additional charge for Transaction summary/sales draft documentation.

DEBIT CARD FUNDS AVAILABILITY - You agree that if You make deposits or payments to Your account(s) with items other than cash (checks, drafts or other items) and We make funds available to You from such deposits prior to their collection, You agree that We may deduct the amounts of such funds from Your account(s) that are not collected, or if the funds in Your account(s) are insufficient at such times, You will promptly pay Us any amount of such funds that are not collected. See page 34 to read PSECU's Availability of Funds and Disclosure of Funds Availability Policy.

CHANGES & TERMINATION - You agree that We may add or discontinue services and fees for services and make other changes to these terms and conditions. We will announce all changes as required by law or regulation. Any changes to these terms and conditions that are required by law are effective as of the date established by the relevant laws. We may terminate these terms and conditions in the same way.

INACTIVE DEBIT CARD - Inactive Debit Card accounts that have no Purchase or ATM activity for over one year may be closed without notice to You.

REVOCATION OF DEBIT CARD - The Debit Card is Our property. We reserve the right to revoke the Debit Card and to require You to return the Debit Card. You agree to return the Debit Card to Us upon Our request.

REFUNDS - You agree to settle all issues regarding goods and services that You purchased with the card with the merchant who honored the card. Any refunds to You by a merchant or seller of goods or services must be made on a credit voucher and submitted to Us by the merchant or seller.

SPECIAL RULE FOR CREDIT PURCHASES - These are signature-based purchases. Contact Us if: You disagree or find an error with a Visa® Transaction or the charges are the result of unauthorized or fraudulent use; or Your purchase cost more than \$50 and was made from a merchant in Your state or within 100 miles of Your address of record.

ILLEGAL TRANSACTIONS PROHIBITED - You agree that You will not use Your card for any Transaction that is not permitted by law. We will not knowingly authorize charges related to unlawful internet gambling.

NEURAL NETWORK - We use neural network systems to predict and prevent unauthorized Transactions. There may be occasions when a Transaction is declined because it is indicative of possible fraudulent activity. We reserve the right to decline any Transactions that We consider fraudulent, suspicious, or illegal.

VISA® ACCOUNT UPDATER SERVICE - If You provide Your Debit Card number to a Merchant with authorization to bill Your Debit Card for recurring payments, or to keep it on file for future purchases or payments, and Your Debit Card number or expiration date changes, You should notify the Merchant with Your new Debit Card information. We participate in the Visa Account Updater Service (VAU Service), and unless You have opted out of the service, We provide updated Debit Card information to the VAU Service. If a merchant

participates in the VAU Service, that merchant will receive the updated Debit Card information. Changes to Your Debit Card number due to reported fraud will not be provided to the VAU Service. Because not all merchants participate in the VAU service, We recommend You notify each merchant of Your new Debit Card number and/or expiration date to ensure Your payments continue uninterrupted.

SECTION 4: TELEPHONE BANKING SERVICES

Our self-service telephone banking service allows You to perform many common Transactions on Your account. Your member account number and account PIN You use to access the telephone banking system acts as Your authorization to complete Transactions.

Telephone banking Transactions are governed by Electronic Fund Transfers (Regulation E). To read this disclosure, see page 29.

SECTION 5: DIGITAL BANKING SERVICES

Electronic Disclosures and Terms and Conditions - Before using any digital service, You are required to read and agree to the Electronic Disclosures and Consent for Electronic Signatures, providing your consent to use electronic records and signatures. See Digital Banking Agreement and the Electronic Disclosures and Consent for Electronic Signatures. We may add new services. Currently We offer the following services within Digital Banking for eligible accounts: Bill Payer service, Card Controls, e-Alerts, e-Statements, FICO® Score Service, Member- to-Member, Person-to-Person (P2P) transfer service, and External Account Transfer. We also offer mobile services, including the Remote Deposit feature in Our Mobile app. See Remote Deposit Disclosure and Agreement. We may also offer other mobile applications from time to time. FICO is a registered trademark of Fair Isaac Corporation in the United States and other countries.

SECTION 6: BILL PAYER TERMS AND CONDITIONS

ESTABLISHING BILL PAYER SERVICE - You must have an eligible relationship to a Checking Share to establish the Bill Payer Service. Additionally, all loans must be current and a minimum \$5 share balance must be maintained in Your Regular Savings Share of the account where the service is being established. All Bill Payer Transactions are processed (electronic transmission or check printed and mailed) from Your Checking Share. You may apply for the service either by activating the service online or by paper application. If You submit a paper application, You will be notified when Your application is approved. If We must decline Your application, We will notify You. Bill Payer payments will be made only to Payees designated by You and approved by Us. Payees will be considered approved by Us when they become available on the Master Payee Listing in Digital Banking, or when added to Your personal account if You are using a paper application.

You authorize Us to send remittances to the Payees You list using Digital Banking, on the Bill Payer application or amendments. In exchange for receiving the Bill Payer service, You agree to be responsible for the following:

- Assuring accuracy of the information provided;

- Verifying that payment information is correct before allowing the Transaction to occur;
- Reporting any discrepancies to Us immediately upon discovery;
- Allowing sufficient time for processing any modification of information;
- Verifying with Payees that the Bill Payer service is appropriate for payment. **Note:** the service does not use payment coupons;
- Resolving any overpayment, late payment, missed or nonreceipt of a payment, or charges assessed by Payees;
- Funding Your account sufficiently, including overdraft options, so that payments may be satisfactorily completed; and
- Allowing sufficient processing time when scheduling payments.

We recommend sending check payments 5-10 days before Due Dates and electronic payments at least three business days before Due Dates. Payments will be Your sole responsibility, if delayed or improperly processed or credited.

Payment Instructions - You may use Our Bill Payer service to authorize recurring and non-recurring bills. A recurring bill is for a fixed amount sent on a specific frequency (weekly, biweekly, monthly, quarterly, or annually). A non-recurring bill or “on demand” must be scheduled each time You want the Bill Payer payment made.

You may have up to 80 active bills assigned to Your account at any one time. These bills will be primarily identified by a 1 to 80 numbering system assigned automatically by Us.

You may schedule payments by one of two methods: (1) Digital Banking or (2) paper amendment. After We receive Your payment instructions, the Bill Payer system will make Your payment by transmitting funds electronically to an Electronic Payee or by preparing a check from your Checking Share and mailing it to a Check Payee. We will tell You how payments will be made (whether by check or electronically). We reserve the right to change these payee types from time to time and as necessary.

Payment Scheduling - Bill Payer creates and sends payments on business days only. Payments scheduled on non-business days will be sent on the last business day before the Payment Date. You must set payment instructions, using Digital Banking, no later than midnight, ET, one business day before the Payment Date. Paper amendments must be received by Us by 2:00 P.M. ET of the business day before the Payment Date. Sufficient processing time should be allowed. Any payment instruction received after midnight may be considered received on the next business day.

Restrictions - Violation of these rules may result in termination of the Bill Payer service We have provided to You.

- A PSECU loan or Visa® account may not be paid using the Bill Payer service.
- You may not use Bill Payer to send checks to Your address of record or for deposit into the same account from which the payment was deducted.

- You may not intentionally supply invalid Payee information.
- You must use the remittance information supplied to You by the Payee via their billing statements or under their specific direction.
- You may only transmit payments to payees located in the United States.

We reserve the right to direct You to a pre-established Payee if the address You requested is already listed in a similar format or the Payee has requested the use of a different address. We reserve the right to refuse to pay certain payees and to refuse to honor payment request that appear to Us to be fraudulent, erroneous, or for illegal purposes.

Any financial service provided by Us may be used for any Transaction permitted by law. You agree that illegal use of any financial service will be deemed an action of default or breach of contract. Use of any financial service in a manner not permitted by law may cause that service or related services to be terminated at Our discretion. You further agree, should illegal use occur, to waive any right to sue Us for such illegal use or any activity directly or indirectly related to it. Additionally, You agree to indemnify and hold Us harmless from any lawsuits or other legal action or liability directly or indirectly, resulting from such illegal use. **We reserve the right to decline any Transaction that We consider fraudulent, suspicious, or illegal. We will not knowingly authorize charges related to unlawful internet gambling.** It is a federal crime to willfully or negligently provide incomplete or incorrect information on requests made to state-chartered credit unions insured by the National Credit Union Administration. We strongly suggest You do not use the Bill Payer service to pay taxes or make court-ordered payments.

Account and Payment Authorization - You authorize Us to debit Your PSECU Checking Share on the date the payment is transmitted to an Electronic Payee. You authorize the payment of checks issued to a Check Payee and drawn on Your Checking Share to be debited the day the check is presented to PSECU for payment. We may pay these items in any order that We decide. You must have enough money in Your designated Checking Share to complete the payment.

Overdrafts - Overdraft Protection Transfer Service options and Courtesy Pay with Bill Payer depend on the method of payment, (i.e., paper check payment or electronic payment):

Paper Check - Funds must be available in Your Checking Share each time the Payee presents the Transaction for payment. Merchants or payees may present a check (including a Bill Payer Check) or ACH Transaction multiple times for payment if the initial or subsequent presentment is returned unpaid. Each presentment for payment is a separate and unique Transaction and if there are no available funds in the Checking Share to cover the Transaction and no funds are available to transfer according to the Overdraft Protection Transfer Service options, and the Courtesy Pay limit has been reached or eligibility criteria are not met, the Transaction will be returned unpaid.

Electronic Payment - Funds must be available in Your Checking Share at

the time Your payment is sent. If sufficient funds are not available after the Overdraft Protection Transfer Service source accounts have been exhausted, Your payment will not be sent and is considered a returned item. Courtesy Pay does not cover this Transaction type.

Canceling a Bill Payer Transaction Before It Happens - You may request to cancel a Bill Payer Transaction by using Digital Banking or by completing a paper amendment form. To cancel a payment, Your request must be received by Us at least one business day before the Payment Date. Please refer to the section on Payment Instruction & Scheduling for appropriate time frames.

If You use Digital Banking You must effect the change by changing the date of the payment, removing the amount of a payment (for on demand bills only), or deleting the payment record entirely no later than midnight, ET, one business day before the Payment Date will stop the Bill Payer process for that item. Paper amendments can be mailed to PSECU, P.O. Box 67013, Harrisburg, PA 17106-7013. Faxes may be sent to 717.720.1197. Written notifications must be received by 2:00 P.M. ET, one business day before the payment date, Monday through Friday (excluding holidays), to be in effect before the next Bill Payer transmission.

Payment in Error - If You have scheduled a payment in error or have supplied erroneous remittance information and We have processed the electronic item, or the processed check has cleared, You will need to contact the Payee. If the paper check has not yet cleared, You may place a stop payment on the item by contacting Us. Stop payment fees will be imposed as per Our current Fee Schedule.

Payment Disputes - If the Payee is disputing payment, please verify the check has cleared or that the electronic payment has processed within Your PSECU account. You may verify Your account via Digital Banking, or by speaking to a Member Service Representative.

We are only responsible for exercising reasonable care in processing and sending payments upon Your authorization in accordance with these terms and conditions. We will not be liable in any way for damages You incur, including but not limited to the following circumstances:

- If You do not have sufficient funds in Your Checking Share or in Your designated overdraft protection source accounts to make the payment on the "Payment Date";
- If You do not verify and validate payment amounts or payment dates for accuracy and send incorrect payment amounts on incorrect dates;
- If delays occur in mail delivery or if the item is not received;
- If changes to the Payee's address or account number have occurred and You did not advise Us within the appropriate time frames (Refer to the Payment Instructions & Scheduling Section of the terms and conditions);
- If the payee fails to correctly account for or credit the payment in a timely manner; or
- If any other circumstances beyond Our control occur.

For electronic items that cannot be posted by the Payee due to erroneous information, the Payee is obligated to return the item to Us or in some cases to You directly. We are not liable for late fees, stop payment fees, finance charges, or negative impact on credit reporting instruments assessed or used by Payees due to late or non-receipt of payments.

We do not guarantee prompt receipt or crediting of payments by Payees. You agree that We have no liability for any damages, expenses, charges, or liabilities that You may incur as a result of any failure or delay on the part of the Postal Service in delivering any payment or on the part of any Payee in crediting the payment. You agree that We have no responsibility or liability for any act or omission, other than the liability imposed on Us by law.

Changes & Termination of Service - We reserve the right to restrict the types of Payees to whom payments may be made using the Bill Payer service. We may withdraw approval of any Payee at any time at Our sole discretion. We reserve the right to change the payment method to a Payee as conditions dictate and any changes will be reflected through Digital Banking.

We reserve the right to discontinue providing the Bill Payer service to You at Our discretion. If the service is suspended by Us, generally, there is a one (1) year waiting period before You may reapply.

For system integrity and efficiency, We will remove from member accounts payment records that have not produced a payment within the last 14 months or more. We will also routinely remove unused Payees from the Bill Payer service in general.

All terms and conditions of the Bill Payer service, including any Fee Schedule, are subject to change at any time. We will announce all changes as required by law or regulation. Any changes to these terms and conditions required by law are effective as of the date established by the relevant law.

Types of Available Transfers and Limitations on Transfers

- You may use Your Bill Payer Service to pay up to 80 of Your fixed or on-demand bills each month.

17106-7013. We must receive Your request for stop payment at least three business days before the Payment Date.

Review Your Bill Payer Listing (if You requested a paper copy) - Be sure to verify the accuracy of all information on the listing. If you choose to print this form from Digital Banking, keep this listing in a secure place as it contains confidential information concerning Your Payee accounts.

SECTION 7: UCC ARTICLE 4A DISCLOSURE (DISCLOSURES REGARDING ELECTRONIC “WHOLESALE CREDIT” TRANSACTIONS SUBJECT TO UNIFORM COMMERCIAL CODE ARTICLE 4A)

Provisional Payment - Generally not applicable, but in the event it would apply, credit given by Us to You with respect to an Automated Clearing House (ACH) entry is provisional until We receive final settlement for such entry through a Federal Reserve Bank. If We do not receive such final settlement, You are hereby notified and agree that We are entitled to a refund of the amount credited to You in connection with such entry, and the party making payment to You via such entry (i.e. the originator of the entry) shall not be deemed to have paid You in the amount of such entry.

Notice of Receipt of Entry - Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH Transactions involving Your account, We are not required to give next day notice to You of receipt of an ACH item, and We will not do so. However, We will continue to notify You of the receipt of payments in the periodic statements We provide to You.

Choice of Law Disclosure - We may accept on Your behalf payments to Your account which have been transmitted through one or more Automated Clearing Houses and which are not subject to the Electronic Fund Transfer Act, and Your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the Commonwealth of Pennsylvania as provided by the operating rules of the National Automated Clearing House Association, which are applicable to ACH Transactions involving Your account.

Also, if Your statement shows transfers that You did not make, including those made by Debit Card or PIN or other means, tell Us at once. If You do not tell Us within 60 days after the statement was mailed to You, You may not get back any money You lost after the 60 days if We can prove that We could have stopped someone from taking the money if You had told Us in time. The length of the delay varies depending on the timing, transaction channel, and type of deposit and is explained in Sections II and III below. Please note that even though deposited funds may not be available, those funds begin to accrue dividends in an interest-bearing account no later than the business day on which the depository institution receives credit for the funds. - 1. Proprietary PSECU Owned ATMs.** Funds from any check deposits made at ATMs owned and operated by PSECU may not be available on the first business day after the day of Your deposit in accordance with this Disclosure. Cash deposits made at PSECU owned ATMs will be available for immediate withdrawal. All ATMs that We own or operate are identified as Our machines.

The first \$500 of Your deposits, however, may be available on the first business day.

If We are not going to make all of the funds from Your deposit available on the first business day, We will notify You at the time You make Your deposit. We will also tell You when the funds will be available. If Your deposit is not made directly to one of Our employees, or if We decide to take this action after You have left the premises, We will mail You the notice by the day after We receive Your deposit.

If You will need the funds from a deposit right away, You should ask Us when the funds will be available.

Funds You deposit by check may be delayed for a longer period under the following circumstances:

- We reasonably believe a check You deposit will not be paid.
- You deposit checks totaling more than \$5,525 on any one day. (Effective 07/01/2025, longer delays may apply if you deposit checks totaling more than \$6,725 on any one day.)
- You redeposit a check that has been returned unpaid.
- You have overdrawn Your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify You if We delay Your ability to withdraw funds for any of

these reasons, and We will tell You when the funds will be available. They will generally be available no later than the fifth business day after the day of Your deposit.

Special Rules for New Accounts

If You are a new member, the following special rules will apply during the first 30 days Your account is open.

Funds from electronic deposits to Your account will be available on the day We receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525 (\$6,725 effective 07/01/2025) of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of Your deposit, if the deposit meets certain conditions.

For example, the checks must be payable to You (and You may have to use a special deposit slip). The excess over \$5,525 (\$6,725 effective 07/01/2025) will be available on the ninth business day after the day of Your deposit. If Your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of Our employees, the first \$5,525 (\$6,725 effective 07/01/2025) will not be available until the second business day after the day of Your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of Your deposit.

We may offer other rates or amend the rates. In addition, We reserve the right to add, to terminate, or make other changes to these deposit products. You agree to the terms and conditions set forth on this disclosure and acknowledge that it is part of the PSECU Agreements and Disclosures.

1. SAVINGS SHARES (REGULAR, ADDITIONAL AND IRA SAVINGS SHARES):

Savings Share labels - Every member has a Regular Savings Share but can have Additional Shares. The labels for Additional Shares can be customized. Christmas, Vacation and Summer Pay Shares are considered Additional Shares.

Rate Information - Your dividend rate and Annual Percentage Yield (APY) may change every month as determined by PSECU's Board of Directors. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on a share based on the dividend rate and frequency of compounding for an annual period. The dividend rate and APY will never be less than 0.01% and there is no limitation on the amount of the change. The dividend rates and Annual Percentage Yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The actual dividend rate paid will be based on the Board's declaration of dividends for the applicable dividend period.

Compounding and Crediting - Dividends will be compounded on an average daily balance monthly and credited to Your share monthly. For this share

type, the dividend period is monthly. For example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. The dividend declaration date for that dividend period is the date immediately following the last date of the dividend period, and for this example is February 1. All other dividend periods follow this same pattern of dates.

Minimum Balance Requirements - The minimum balance requirement to open a Regular Savings Share is the purchase of a \$5 share in PSECU. No minimum balance requirements apply for Additional Savings Shares or the IRA Savings Shares. The par value of a regular share in this Credit Union is \$5.

Balance Computation Method - Dividends are calculated on the average daily balance method, which applies a periodic rate to the average daily balance in the share for the period. The average daily balance is calculated by adding the balance in the share for each day of the period and dividing that figure by the number of days in the period.

Accrual of Dividends - Dividends will begin to accrue on the business day You deposit cash and non-cash items (e.g., checks, ACH) to Your certificate.

Right to Require - We reserve the right to require written notice of intent to withdraw not less than seven days and up to 60 days before such withdrawal.

Nature of Dividends - Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

National Credit Union Share Insurance Fund - Member shares in this Credit Union are federally insured by the National Credit Union Share Insurance Fund.

Other Terms and Conditions - Please refer to the Agreements and Disclosures, the Bylaws, and Fee Schedule on psecu.com/disclosures for more information relating to Your account at PSECU.

2. YOUTH SAVINGS SHARE:

To be eligible for the Youth Savings Rate, the primary account owner must be under the age of eighteen. All eligible Regular Savings Shares automatically accrue dividends at the Youth Savings Rate on the first \$500 in the share and amounts over \$500 will accrue dividends at the Regular Savings Share Rate. Beginning the first day of the month after the primary account owner's eighteenth birthday, the share will no longer accrue dividends at the Youth Savings Rate and will begin to accrue dividends at the Regular Savings Share Rate on the total share balance. The primary account owner will be notified prior to the rate change on the share. For current rates for these shares, visit psecu.com/rates or call us at **800.237.7328**. For current fees, refer to our Fee Schedule at psecu.com/disclosures.

4. MONEY MARKET:

Rate Information - Your dividend rate and Annual Percentage Yield (APY) may change every month as determined by PSECU's Board of Directors. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on a share based on the dividend rate and frequency of compounding for an annual period. The dividend rates and Annual Percentage Yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The actual dividend rate paid will be based on the Board's declaration of dividends for the applicable dividend period.

Compounding and Crediting - Dividends will be compounded daily and credited to Your share monthly. You will receive dividends for each day of the dividend period based on the end of day balance in the share each day. For this share type, the dividend period is monthly. For example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. The dividend declaration date for that dividend period is the date immediately following the last day of the dividend period, and for this example is February 1. All other dividend periods follow this same pattern of dates.

Minimum Balance Requirements - You must maintain a minimum daily balance of \$500 in Your share each day to obtain the disclosed Annual Percentage Yield. Dividends will accrue daily only if a minimum daily balance

of \$500 is maintained in Your share.

A dividend shall apply to the balances based on the following tiers:

- \$100,000 or more
- \$50,000 to \$99,999.99
- \$20,000 to \$49,999.99
- \$5,000 to \$19,999.99
- \$500 to \$4,999.99

PSECU pays dividends on the full balance in the share at the divided rate that corresponds to the applicable share balance tier. Therefore, during the dividend period, if the share balance fluctuates between tiers, dividends may be paid at varying dividend rates. These tiers and rates are subject to change.

Balance Computation Method - Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in the share each day.

Accrual of Dividends - Dividends will begin to accrue on the business day You deposit cash and non-cash items (e.g., checks, ACH) to Your certificate.

Right to Require - We reserve the right to require written notice of intent to withdraw not less than seven days and up to 60 days before such withdrawal.

5. CERTIFICATES AND IRA CERTIFICATES:

Rate Information - The dividend rate and Annual Percentage Yield for all certificates are fixed and will be in effect for the term of the certificate. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on a certificate based on the dividend rate and frequency of compounding for an annual period.

Compounding and Crediting - Dividends will be compounded and credited to Your certificate monthly, and at maturity.

Minimum Balance Requirements - The minimum balance required to open this certificate is \$500. You must maintain a minimum daily balance of \$500 in Your certificate each day to obtain the disclosed Annual Percentage Yield.

Balance Computation Method - Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in the certificate each day.

Accrual of Dividends - Dividends will begin to accrue on the business day You deposit cash and non-cash items (e.g., checks, ACH) to Your certificate.

Transaction Limitations - You may not make deposits into the certificate until the maturity date stated on the certificate. If You withdraw dividends or principal, You must withdraw a minimum of \$100. Any early withdrawal may be subject to early withdrawal penalties. If a withdrawal takes a certificate below \$500, the certificate will be closed and the penalty will be calculated on the entire balance.

If You choose to fund a certificate through the ACH network at the time of account opening, the funds You transferred via ACH to fund the certificate will be available 60 days from the date that We receive the ACH funds. ACH funds are deemed to be received by Us when We receive finally collected funds and payment instructions indicating the amount to be credited to Your new share account. Funding a certificate through the ACH network is only available through the online application.

Right to Require - - We reserve the right to require written notice of intent to withdraw not less than seven days and up to 60 days before such withdrawal.

Maturity Date - Your certificate will mature on the date stated on the certificate purchase letter.

Early Withdrawal Penalties - We impose a penalty if You withdraw any of the principal before the maturity of the certificate. For 3-24 month certificates, any early withdrawal will cause a forfeiture of 90 days' worth of dividends on the principal amount withdrawn, whether or not the certificate has earned an initial dividend. For 36-60 month certificates, any early withdrawal will cause a forfeiture of 180 days' worth of dividends on the principal amount withdrawn, whether or not the certificate has earned an initial dividend. The early withdrawal penalty will be calculated at the annual dividend rate being paid on the certificate. The early withdrawal penalty, if applicable, will be deducted from the amount withdrawn. Withdrawals from an IRA Certificate may be made without an early withdrawal penalty when the Required Minimum Distribution (RMD) age is attained.

Withdrawal of Dividends Prior to Maturity - The Annual Percentage Yield is based on the assumption that dividends will remain in the certificate until maturity. A withdrawal will reduce earnings.

Renewal Policy (does not apply to promotional certificates) - Your certificate will automatically renew at maturity. You will have a grace period of 10 calendar days after maturity date to withdraw funds in the certificate without being charged an early withdrawal penalty. A Maturity Notice will be mailed at least 20 calendar days before the end of the grace period.

Renewal Policy (applies to promotional certificates only) - Your certificate will automatically renew at maturity, however, because it is a promotional certificate it may automatically renew for a different term. It will automatically renew at the next lowest non-promotional term. For example, if your promotional certificate had a term of 20 months and the next lowest non-promotional certificate term is 18 months, your promotional certificate will automatically renew at 18 months and would be a non-promotional certificate. You will have a grace period of 10 calendar days after maturity date to withdraw funds in the certificate without being charged an early

withdrawal penalty. A Maturity Notice will be mailed at least 20 calendar days before the end of the grace period.

National Credit Union Share Insurance Fund - Member certificates in this Credit Union are federally insured by the National Credit Union Share Insurance Fund.
