

Verified by Visa® Terms and Conditions

Verified by Visa is a service provided by Visa through PSECU. Verified by Visa allows you to receive a one-time passcode (OTP) to verify your identity when requested during a transaction. When you enter your card number in an online shopping site, a verification process may occur, and you will have to validate the purchase using a passcode sent via SMS or email. If you choose to have the passcode sent via SMS you will receive an OTP message via short code 35574. Message and data rates may apply. For help, text "**HELP**" to 35574. To cancel, send "**STOP**" to 35574 or call the phone number on the back of the card used for the purchase. Mobile carriers are not liable for delayed or undelivered messages.

Alerts sent via SMS may not be delivered to you if your phone is not in range of a transmission site, or if sufficient network capacity is not available at a particular time. Even within a coverage area, factors beyond the control of your wireless carrier may interfere with message delivery, including the customer's equipment, terrain, proximity to buildings, foliage, and weather. You acknowledge that urgent alerts may not be timely received and that your wireless carrier does not guarantee that alerts will be delivered. You agree that neither PSECU nor our service providers/carriers are liable for delayed, erroneous, or undelivered messages, or for any actions taken in reliance thereon.
