4. ENROLLMENT

4.1 Once you have entered your enrollment details, you will be asked to confirm that the information is correct. If the information is not correct, you can revisit your registration and correct any mistakes before confirming and submitting your registration to us. 4.4 When you first use the service on your mobile phone, you will also be asked to choose a security passcode that you will need to enter each time you wish to use the PSECU Wallet Service. You must keep this passcode safe and not write it down or disclose it to anyone.

5. THE PSECU WALLET SERVICE

5.1 Please note that we may, but are not obligated to, add new services from time to time.

5.2 The PSECU Wallet Service is normally available 24 hours a day, 7 days a week, and 365 days a year apart from planned downtime, circumstances beyond our reasonable control, outages on any mobile phone network, or where you are not in an area of mobile coverage.

5.3 Further you acknowledge that we may withdraw all or part of the PSECU Wallet Service without notice.

6. AUTHORITY

6.1 You authorize PSECU and anyone acting on our behalf to accept and act on your instructions and (where relevant) to pay into and from your account(s) the amounts involved when a transaction has been authenticated by the use of the security procedure which is set out below. You acknowledge and agree that your authority may be on an account that could otherwise only be operated by two or more persons.

6.2 You agree that if you and a co-applicant have a Card we will act on the instructions of either of you. You are each responsible for all transactions carried out and for the repayment of any resultant borrowing which arises on your account.

7. SECURITY PROCEDURE

7.1 You must keep your security details secret and take all reasonable precautions to prevent unauthorized or fraudulent use of them.

7.2 You must not disclose your security details to any other person or record your security details in any way that may result in them becoming known to another person.

7.3 Please note that after initial registration we will never contact you (or ask anyone to do so on our behalf) with a request to disclose your security details in full. If you receive any such request from anyone (even if they are using our name and logo and appear to be genuine), then it is likely to be fraudulent and you must not supply your security details to them under any circumstances. Additionally, you should report any such requests to us immediately.

7.4 If you suspect that anyone knows your security details, you must contact us immediately. If you fail to do so, you will be liable for any unauthorized transactions on your account confirmed by use of your security details.

7.5 You will be responsible for all instructions received from us between the time you pass the security procedure until the time you exit from the PSECU Wallet Service. Please note that this includes any input errors or instructions sent by someone other than yourself, so please do not leave your mobile phone unattended while you are still logged onto the PSECU Wallet Service.

10.2 We are not liable for any losses you suffer arising from fraudulent use of your card where this results from you not keeping your security details safe as recommended by us.

10.3 If your mobile phone is lost or stolen, you must tell us (by contacting PSECU at 800.237.7328) as soon as is reasonably practicable, and in any case within 24 hours of the loss or theft. In addition, it is your responsibility to advise your mobile phone provider of the loss or theft of your mobile phone. Until you tell us that any of these things have happened we will continue to provide the PSECU Wallet Service to your mobile phone and we will not be liable if your account information becomes known to someone else as a result.

10.4 We are not liable for any error by you in entering any details when you use the PSECU Wallet Service (e.g. if you key in the wrong mobile number).

10.5 If we believe that you or someone else is using or has obtained, or may use or obtain the PSECU Wallet Service illegally, fraudulently or improperly, then we may cancel or suspend your use of the PSECU Wallet Service without notice.

10.6 We will not be liable to you if the PSECU Wallet Service is not available to you due to any planned downtime, circumstances beyond our reasonable control, or outages on any mobile phone network or where you are not in an area of mobile coverage.

10.7 The PSECU Wallet application is provided "as is" with no representation, guarantee or warranty of any kind as to its functionality. We cannot guarantee that the application will be compatible with every type of mobile phone.

12.3 If you do not agree with any change to the Terms and Conditions, you are free to stop using the PSECU Wallet Service at any time. If you wish us to deactivate your account, simply select the "Cancel Service" or "Cancel Account" option, follow the instructions, and then delete the software application from your mobile phone.

12.5 The contract and all communications between us will be conducted in the English language.

12.6 Our relations with you and the formation, existence, construction, performance, validity and all aspects whatsoever of these Terms and Conditions or of any term of these Terms and Conditions will be governed by the laws of Pennsylvania, whose courts shall have non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with these Terms and Conditions.

Mobile Location Confirmation Service - Terms and Conditions

The Service: The Mobile Location Confirmation service (“MLC”) helps to reduce the likelihood that PSECU will mistakenly decline a transaction when you are transacting outside your normal purchasing areas. MLC uses location updates sent by your mobile device to help PSECU know the difference between fraud and legitimate transactions. Once you enroll, your device will send location updates anytime you are connected to a cell or Wi-Fi network and location services are turned on for your device.

Enrollment and Un-Enrollment: You may choose to enroll or un-enroll one or more cards at any time by using PSECU Wallet App. If you un-enroll a card but keep another card enrolled, then location updates will continue to be sent from your device, but PSECU will only use your device’s location data in connection with the card(s) remaining enrolled. If no cards are enrolled, your device will not send any location updates in conjunction with MLC. If you choose to un-enroll from MLC, it will not turn off any other location based service offered through the PSECU Wallet App.

Location Updates: When you enroll in MLC, you agree to allow your mobile device to automatically send location updates. Each location update contains a unique device identifier generated by your card issuer, a timestamp, the event that triggered the location update such as a cell tower change or connection to a Wi-Fi network, and a latitude and longitude which represents the approximate location of your mobile device. This approximate location may be derived from the location of the cell phone tower to which your device is connected, the locations of Wi-Fi networks in the area of your device, or the location of your device. On occasion, if you have GPS turned on, your device’s GPS coordinates may be sent. Location updates sent from your device will not distinguish whether the location sent was of a cell tower, Wi-Fi connection point, or an individual device. The location updates are sent to PSECU and to one or more vendors who help to provide MLC and are contractually obligated to follow PSECU’s policies.

Frequency: Your device may send a location update each time your mobile device either switches from one cell tower to another or connects to a Wi-Fi network. To reduce the number of location updates sent from the device, the application automatically filters out certain updates. Which updates are filtered depends on the movement of the device, the amount of time since the last location update, and whether or not a “Home Area” has been established for the device.

Home Area: After you enroll, it takes two weeks to establish the Home Area of your device. This Home Area is a circular region with a 50 mile radius centered on where your mobile device is most commonly located. As long as your device remains within the Home Area, location updates will generally be sent no more than once every 24 hours. If your Home Area is not yet defined, is being re-validated, or if your device is outside of the Home Area, location updates will be sent more frequently, particularly when the device is in transit. Your Home Area will be re-validated once every 6 months or if you do not return to your previously defined Home Area after more than 30 days. If you un-enroll in MLC through your mobile app, your Home Area will be purged. If you later re-enroll, it will be necessary to re-establish a Home Area. If your mobile device is most typically located less than 50 miles from a national border, your Home Area will have a radius of less than 50 miles, with the radius equaling the distance to the national border.

Limited Use of Data: PSECU and its vendors will use location update data for fraud screening and to improve fraud screening services. We will not share personally identifiable location update data with any third party without your consent, except to comply with court orders, valid legal processes such as a warrant or subpoena, and other legal requirements. This mobile app may use data you have provided through the app apart from MLC in other ways described by these Terms and Conditions.

Data Retention: PSECU and/or its vendors will store location update data for a maximum of 18 months, except as required to comply with court orders, valid legal processes such as a warrant or subpoena, or other legal requirements.

Data Storage: We, and the service providers we may engage, may store and process personal information in different countries from where you reside, including in the United States. Please note that these countries may have different laws and requirements about privacy and data use than where you live.

Charges and Fees: You are solely responsible for acquiring any hardware, devices, software, wireless and Internet access, and/or other items required in connection with your enrollment in MLC, and any associated fees, expenses, taxes, or other charges, including but not limited to any mobile data and roaming fees.

Proprietary Rights: All ownership rights in MLC are retained by PSECU and its vendors and protected under applicable intellectual property laws and international treaties. All rights not expressly granted to you through these Terms are retained by PSECU and its vendors. Nothing in these Terms grants to you any right to use any trademarks, service marks, logos or other indicia of origin of PSECU or its vendors.

Changes to MLC: PSECU may, in its discretion, terminate, change, modify, suspend, make improvements to, or discontinue any or all aspects of MLC, temporarily or permanently, including the availability of any service, at any time with or without notice to you. You agree that PSECU and its vendors shall not be liable to you or to any third party as a result of taking any of these actions.

Disclaimer of Warranties/Limitation of Liability: MLC, IN WHOLE AND IN PART, INCLUDING ALL SERVICES, IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT EXPRESS OR IMPLIED WARRANTIES OF ANY KIND, INCLUDING WARRANTIES OF TITLE OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TO THE FULLEST EXTENT PERMITTED UNDER APPLICABLE LAW, YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT YOU ASSUME SOLE RESPONSIBILITY AND RISK FOR YOUR USE OF MLC, AND THE RESULTS AND PERFORMANCE THEREOF.

IN NO EVENT AND UNDER NO CAUSE OF ACTION, INCLUDING NEGLIGENCE, SHALL PSECU OR ITS VENDORS OR THEIR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, CUSTOMERS, MEMBERS, EMPLOYEES OR AUTHORIZED AGENTS (COLLECTIVELY, THE "PROVIDERS") BE LIABLE FOR ANY DAMAGES, CLAIMS OR LOSSES INCURRED (INCLUDING DIRECT, COMPENSATORY, INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES), HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, ARISING FROM OR IN CONNECTION WITH MLC AND/OR THESE TERMS, EVEN IF A PROVIDER IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, CLAIMS OR LOSSES.

WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE PROVIDERS SHALL NOT BE LIABLE TO YOU OR ANY THIRD PARTY FOR: (I) YOUR USE OF OR INABILITY TO USE MLC FOR ANY REASON; (II) ANY INACCURACY, INCOMPLETENESS OR MISINFORMATION CONTAINED IN ANY INFORMATION PROVIDED THROUGH MLC; (III) UNAUTHORIZED ACCESS TO, OR ALTERATION OR LOSS OF, YOUR TRANSMISSIONS, DATA OR OTHER INFORMATION THAT IS COLLECTED, STORED OR SENT IN CONNECTION WITH MLC; (IV) ERRORS, SYSTEM DOWN TIME, NETWORK OR SYSTEM OUTAGES, FILE CORRUPTION OR SERVICE INTERRUPTIONS; OR (V) ANY OTHER USE BY YOU OF MLC. IN ADDITION, THE PROVIDERS SHALL NOT BE LIABLE IF MLC CANNOT (OR ANY PART THEREOF) CANNOT BE PROVIDED OR FOR ANY FAILURE TO PERFORM ANY OBLIGATIONS CONTAINED IN THESE TERMS DUE TO, DIRECTLY OR INDIRECTLY, THE FAILURE OF ANY EQUIPMENT, TRANSMISSION OR DELIVERY PROBLEMS, OR ANY INDUSTRIAL DISPUTE, WAR, NATURAL DISASTER, ACT OF TERRORISM, EXPLOSION, ACT OF GOD OR ANY OTHER EVENT BEYOND OUR CONTROL.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE PROVIDERS' CUMULATIVE LIABILITY TO YOU ARISING FROM ANY CAUSE OF ACTION WILL AT ALL TIMES BE LIMITED TO THE LESSER OF (A) YOUR ACTUAL LOSS; OR (B) \$100.

SOME JURISDICTIONS DO NOT ALLOW THE DISCLAIMER, EXCLUSION OR LIMITATION OF CERTAIN WARRANTIES, LIABILITIES AND DAMAGES, SO SOME OF THE ABOVE DISCLAIMERS, EXCLUSIONS AND LIMITATIONS MAY NOT

APPLY TO YOU. IN SUCH JURISDICTIONS, THE PROVIDERS' LIABILITY WILL BE LIMITED TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

Mobile Privacy Statement

In order to protect the safety of your information and the integrity of your financial data, The PSECU Wallet application will request additional permissions from your device and the Android operating system, including the permission associated with "Device Administration." These permissions grant the application the ability to check for the correct enforcement of a security PIN or pattern, and ensures that your device has the necessary safeguards required to protect the embedded mobile wallet functionality and contactless payment capabilities. While highly recommended, granting this permission is optional and can be disabled by the user at any time. Please note, however, that if this permission is not granted, your ability to use certain features within the application might be affected.
