

PSECU AT A GLANCE

The 22 founders who created this credit union in 1934 wanted all people who joined to have financial opportunities that would let them live a better life. That promise stays with us today and is reflected in our free and low-cost products, low loan rates, and convenience for our members. We work hard every day to provide great service and make sure our members get the most out of their money. With PSECU, you are truly Banking on a Difference.

OUR VISION

Our members will recognize us as their trusted financial partner.

OUR MISSION

To safely and securely provide the best value to our members throughout their lives.

BANKING ON A DIFFERENCE

Unlike banks, we are member-owned.

By law, credit union members must share a common bond. Collectively, these bonds define our “field of membership.” For us, the largest membership group is our original founders - state employees. Another group aligns with Pennsylvania’s State System of Higher Education. Employees of local government and public school districts are also within our field of membership. Students, faculty/staff, and alumni are eligible to join. We have similar relationships with many community colleges and private educational institutions, in addition to our 1,200+ Select Employee Groups. As a credit union, we exist to serve our members - not stockholders.

Members enjoy account access where and when they need it.

Our innovative digital platform provides added value to members. Mobile and online banking, plus thousands of surcharge-free ATMs, allow members to manage their money 24/7.

Members feel good about banking with us.

Following the credit union philosophy of “people helping people,” we believe in giving back to the communities we serve through relationships we have with organizations focused on health, education, and social justice. Additionally, we offer free financial education workshops to members and non-members alike.

- 11,091 individuals attended workshops through WalletWorks, our award-winning financial education program, in 2017. Learn more at psecu.com/walletworks.
- 125 students have received \$590,000 in PSECU scholarships since program inception. Learn more at psecu.com/scholarships.

JOIN PSECU

In addition to state employees and their families, we offer membership to employees of local governments and public schools, as well as to students, faculty/staff, and alumni of all schools within Pennsylvania's State System of Higher Education. We also have relationships with many community colleges and private educational institutions, in addition to our 1,200+ Select Employee Groups, to provide membership options. With so many membership possibilities, you're likely eligible to join PSECU. Learn more at psecu.com/join.
