

# LET'S LEARN ABOUT SAVING MONEY

THESE FUN ACTIVITIES CAN HELP YOU GET STARTED

## DRAW YOUR SAVINGS GOAL

Sometimes the things we want cost more money than we have. Setting a goal can help us keep track of how much money we need to save to buy the things we want. Draw a picture of what you're saving for and ask a parent to help you find out how much it will cost.

## CREATE A BOREDOM BUSTERS BOX

Going to the movies or to a restaurant can be fun, but it can also be expensive. The good news is there are lots of fun things to do that are free! Challenge your family members to a competition to see who can think of the most fun things to do that don't cost money.

Then follow the instructions below to turn those ideas into a Boredom Busters Box. On days when you're feeling bored, you and your family can pull an idea from the box.

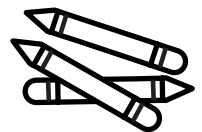

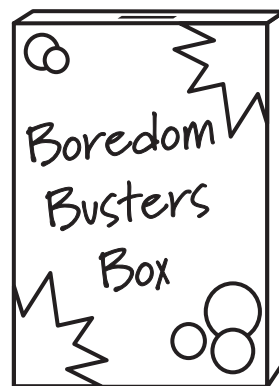

### INSTRUCTIONS:

Ask your parents to cut open the empty pasta box at one of the corners. Have them turn it inside out and tape it back together so the plain cardboard side is facing out. Use the crayons or markers to decorate the box.

Next, write all your family's ideas on small pieces of construction paper, fold them so you can't see what's written on them, and put them in the box. Now you're ready to beat boredom without spending a dime!

### HAVE YOUR PARENTS HELP YOU FIND THE FOLLOWING SUPPLIES:

- An empty pasta box
- Scissors
- Crayons or markers
- Tape
- Construction paper
