Request for Withdrawal from Certificate

I AM REQUESTING A WITHDRAWAL FROM MY CERTIFICATE # ______________________ FOR: □ $ ________________

☐ AVAILABLE DIVIDENDS $ ________________

(Available dividends may be withdrawn anytime without PSECU penalty.)

IS THIS AN IRA CERTIFICATE? □ No. □ Yes, an IRA Withdrawal Form, which includes the W-4P section, must also be completed. (May also be subject to IRS penalties.)

PLEASE: □ Deposit the funds into my PSECU Share # __________

☐ Send a check (check will be mailed to address on record for this account)

I understand a penalty for early withdrawal will cause a forfeiture of dividends on the principal amount withdrawn whether or not the account has earned an initial dividend. This penalty will be deducted from the certificate and calculated at the annual rate of interest being paid on the certificate. The number of day's worth of dividends that will be forfeited is determined by the term of the certificate. See psecu.com/support/certificates for complete details.

I also understand that if the penalty takes the certificate below the $500 minimum balance, I must withdraw the entire amount and close the Certificate. The penalty will be calculated on the entire balance. Minimum withdrawal amount - $100.
